Breda Day Center, Inc. – Breda (5 new slots)

CCC: \$23,816 Total Award: \$23,816

Breda Daycare Center's proposed project is to add on an expansion to the preschool room. This will allow the center to have more room for creative curriculum areas and room for five more children to be involved in our preschool education.

Bright Achievers Developmental Daycare – Davenport (29 new slots)

CCC: \$250,000 Total Award: \$250,000

Bright Achievers daycare proposes to reconstruct the warehouse located behind the current center. This building will become a best practice, high quality Child Care and PreSchool Center. The project goal will serve up to 80 additional children in our community and include a safe playground area. The anticipated outcome is to serve an increased number of children under the age of six, and to assist the educational system in meeting basic early literacy benchmarks so that Scott County schools will become more proficient by creating an additional opportunity for children who face economic vulnerability in our area.

Build a Better Belmond (Simmering-Cory Inc.) – Belmond (155 new slots)

IICC: \$126,945 CCC: \$250,000 Total Award: \$376,945

This project will fund the renovation of the Ramsay Building, formerly an elementary school, to house a new daycare center, Colts Corner Daycare, in the City of Belmond. The need for childcare is critical in Belmond, with an estimated shortage of 423 childcare spaces within the Belmond-Klemme Community School District, and only enough licensed childcare slots to serve 19% of the children ages 0-11 in Belmond. In addition, several daycares have closed in the last year making the shortage even greater. The construction contract has been awarded and construction will begin in January 2022 with Colts Corner opening its doors in August 2022, creating 155 childcare slots and 24 to 32 new full and part-time jobs in the community.

Child Time Daycare by Ashley Thompson – Northwood (63 new slots)

IICC: \$190,495 CCC: \$250,000 Total Award: \$440,495

Childtime Clubhouse will open a new center with the goal being to provide a safe and welcoming environment to support and care for children of all ages. The most important outcome we will achieve by opening this facility is closing the large gap in access to childcare that Worth County is currently facing. We will also be able to support community members by generating new jobs. In all, this opportunity would benefit everyone in the community and provide a resource that so many around us desperately need.

City of Sioux Center – Sioux Center (12 new slots)

IICC: \$88,300 Total Award: \$88,300

The City of Sioux Center, in partnership with the Sioux Center Day Care Taskforce, is proposing to remodel a residential structure into a home daycare. This facility will help meet additional needs for child care in the community and help accommodate the workforce needs for many of our businesses. The funds will assist in making the facility safe and functional as a child care facility.

CKJD, LLC – Urbandale (61 new slots)

IICC: \$257,237 CCC: \$78,620 Total Award: \$335,857

This group intends to open a child care facility by renovating an existing closed building which will ultimately provide a capacity of 61 new child care slots in Urbandale. This center will also devote a portion of enrollment in each room to serve children with disabilities.

Clarksville Child Development, LLC – Clarksville (20 new slots)

IICC: \$163,814 CCC: \$8,200 Total Award: \$172,014

IICC: \$267,366 CCC: \$250,000 Total Award: \$517,366

The project supports an expansion of 5,800 square feet to the existing Prairie Early Childhood Center. The expansion includes 3 additional classrooms and will provide 48 additional slots in a community with a population of approximately 27,528. This expansion would create placements for 48 additional infants, toddlers, and 3-year-old children including Head Start and Early Head Start slots increasing the availability of quality, affordable childcare for families in Linn, Benton, and Johnson counties.

Community Early Childhood Center – Fort Dodge (56 new slots)

CCC: \$250,000 Total Award: \$250,000

This project is an expansion to add another 56 spaces (4 classrooms) to bring our total up to 207 children. The goal is to increase capacity for an area that has a shortage of approximately 2000 child care slots.

Community United Child Care Centers, Inc. – Cedar Falls (55 new slots)

IICC: \$478,000 CCC: \$250,000 Total Award: \$728,000

This project will renovate and build a new addition to existing child care center which will increase child care slots available and fund numerous health and safety upgrades.

Creative Minds Daycare – Cherokee (57 new slots)

IICC: \$507,729 CCC: \$250,000 Total Award: \$757,729

Creative Minds Daycare was approached by the Cherokee Board of Supervisors to increase the number of children and families they could serve. They have located an existing building that will be rehabbed to increase the number of spots from 16 to around 73. This will significantly help the community and businesses by being able to provide the much-needed care for the children with wrap around supports from the community. Local businesses, school district, AEA and families worked together to determine the demand that is out there for reliable high-quality care for kids while the parents are working within the community.

Discoveries Learning Center – Denver (252 new slots)

IICC: \$750,000 CCC: \$120,000 Total Award: \$870,000

The goal of this project would be to rehabilitate the existing building to serve the needs of students aged 6 weeks to preschool. Currently, Discoveries Learning Center is utilizing a separate building, which was once a K-2 building for the Denver Community Schools that has eight classrooms for childcare opportunities. Denver Schools passed a bond issue to build a new secondary school due to increase of enrollment and lack of space within the TK-12 building. The new secondary school will be serving grades 6-12, leaving behind an infrastructure that would be utilized to serve students ages 6 weeks to four-year-old preschool. Outcomes include partnering with Denver Schools and allowing Discoveries Learning Center to double their capacity to ensure childcare and high-quality programming for the community of Denver and surrounding communities.

Dubuque Dream Center – Dubuque (200 new slots)

IICC: \$750,000 Total Award: \$750,000

The Dream Center seeks to support the present workforce, by providing quality after-school and summer care to school-aged children of working families. Particularly in areas of concentrated poverty where quality care for children is in short supply. The Dream Center becoming a licensed childcare would in turn allow the Center to create a sustainable revenue stream to serve at-risk youth.

Durant Children's Group – Durant (30 new slots)

IICC: \$24,667 CCC: \$9,607 Total Award: \$34,274

Durant Children's Group owns an empty building across from our current center's parking lot that will be renovated for another space for children.

Ellyn Holzhuter Daycare – Dubuque (0 new slots)

IICC: \$5,621 Total Award: \$5,621

The proposed project will create 12 new childcare slots, including 4 infants in an in-home daycare setting. The project goal is to create a STEAM focused in-home child development care facility. The anticipated outcome for this project is to create a positive and rich learning environment for children of all ages, birth to school age.

Exploration Learning Station – Stuart (0 new slots)

IICC: \$58,874 Total Award: \$58,874

The Exploration Learning Station expansion project will add a secondary location and 36 additional slots for children at the facility. The additional space will also create a much more open environment for children and staff to inhabit. Infants and toddlers will be the focus at the new location, which allows for separation of age groups and the ability for staff to prioritize tasks.

Little Charger Early Learning Center – Guthrie Center (22 new slots)

IICC: \$324,000 CCC: \$125,850 Total Award: \$449,850

Little Charger Early Learning Center is the only licensed childcare provider in Guthrie Center and is currently licensed for 30 children within our building and 15 children at the school for before and after school care. With a population of just under 1,500, Guthrie Center has approximately 250 children enrolled in its elementary school and an estimated 100 kids aged 0-4. After surveying our community, we found that only 39% of respondents take their children to a childcare setting within Guthrie Center, the average travel for childcare outside Guthrie Center is 9.6 miles, and that 30 families are currently looking for childcare. Funding will support work on a new building on an adjacent property, increasing our capacity from 45 to 77 and allowing them to have before/after school program within their own building. The main goal of the project is to create a community asset that will help our local employers be able to attract and retain employees (including adding 10-12 new jobs at the center) to create a stable workforce, drive community growth, and reverse a two-year trend of significant enrollment decline in our school district.

Little Creations Academy, Inc. – Iowa City (29 new slots)

IICC: \$77,465 Total Award: \$77,465

Little Creations Academy has a growing number of families on the center's waitlist, and funding will help make needed accommodations so these families can access the center's services. 100% of our families qualify for federal assistance and wish to be employed in the workforce.

Little Knights Learning Center – Dysart (0 new slots)

IICC: \$389,830 CCC: \$250,000 Total Award: \$639,830

Little Knights Learning Center in Dysart was forced to quickly build a new standalone child care center during the pandemic. This project is a partnership with the Union Community School District and broke ground in December 2020 near the elementary school to build a new center that would house 85 children, 16 more than we were licensed for in our previous building. They knew there was risk building at an uncertain time but the desperate need for child care outweighed the concerns. LKLC successfully completed the building in July 2021, but due to supply chain shortages and inflation the project had large cost overruns. Additionally, COVID-19 and an uncertain economy has hindered our ability to raise the capital funds necessary to pay building loans and build the outdoor playground.

Little Mustangs Learning Center – Armstrong (10 new slots)

IICC: \$43,047 Total Award: \$43,047

Funds will aid towards the completion of remodeling the new location to be Little Mustangs Learning Center. The new location is one block away from the public school, the library, city park and pool. The project will allow an increased enrollment of 19 additional childcare positions

CCC: \$132,118 Total Award: \$132,118

Little Panther Daycare is building a 1,440 square feet addition to our current facility. It will increase our overall capacity by 15 children. This will assist in getting additional families into our daycare and off the waiting list.

Little Scholars Learning Center, LLC – Marshalltown (0 new slots)

IICC: \$114,476 Total Award: \$114,476

Little Scholars Mid-Town Location will bring 100 new childcare spaces to Marshalltown, which has been identified as a childcare desert. This location will provide care for 6 weeks to 12 years of age with an emphasis on nontraditional preschool and school age care. With this expansion the center will grow current programs that are successful such as our dual language preschool, and the community resource center. This center will also implement new programs to include "Babysitter Club" training, "Home Alone" classes to promote safety and responsibilities for children old enough to stay home alone and Parent University classes to guide parents in developmental milestones, conscious discipline and connecting them with local community agencies for resources.

Little Sprouts Daycare, LLC – Algona (32 new slots)

CCC: \$126,350 Total Award: \$126,350

Since being awarded Challenge and IICC grant funding at the beginning of this year, we have completed upper-level renovations, installed a sprinkler and alarm system throughout the building, created an outdoor classroom, and opened to care for children. Currently approved to care for up to 43 children, plans for the lower level include at least two more classrooms and some sick care rooms, this would be only the second sick care center in the region and increase capacity to serve 32 more child care slots.

Little Stars Child Care Center/Islamic Foundation of Iowa – Waterloo (72 new slots)

IICC: \$231,845 Total Award: \$231,845

The Little Stars Child Care Center is a Non-Profit brand-new facility designed specifically for child care in Waterloo serving the Black Hawk County and surrounding areas. This facility is strategically placed around large pool of employers of all levels with a capacity of 72 children (with an enrollment of about 144 children) and 30 full/part-time staff members. Being a non-profit organization, this building was designed and erected using many volunteers from the Cedar Valley and Donations across the nation and other non-profit partners' assistance. Funding will provide some final critical items necessary to open the facility regarding health/safety, environment, equipment, and classrooms.

Little Tigers on Main, LLC – Gilbert (19 new slots)

CCC: \$132,538 Total Award: \$132,538

The new construction will be the new home of the existing Little Tigers Clubhouse in Gilbert, Iowa, creating 19 new spots and making safety and regulation enhancements.

Live, Laugh, Love, Child Care Center – Muscatine (20 new slots)

IICC: \$66,603 Total Award: \$66,603

This funding will provide necessary enhancements and increase capacity. The outcome would be a school age building that would accommodate 40 children.

Maroon & White Inc. – Grundy Center (26 new slots)

CCC: \$248,723 Total Award: \$248,723

The project is part of an overall \$4 M historic rehabilitation and expansion of the former Grundy Center High School, as the Grundy Center Kids Campus. The rehab/expansion will result in completely modernized/expanded facilities for the existing preschool and before/after school program, which are operated by Grundy Community Preschool & Child Care and the YMCA, respectively.

MATURA Action Corporation – Creston (88 new slots)

IICC: \$250,000 Total Award: \$250,000

The Greater Connections Childhood Development Center (GCCDC) will be a 14,000-SF childcare facility to serve the entire county of 12,500 people. This facility will replace the aging and undersized childcare facility with a new structure located in northwest Creston. The new facility will house 13 classrooms for infancy and up, which will also facilitate the establishment of Early Head Start in the county. The grant will assist with the furniture, fixtures, and equipment elements of the project, as the building itself is already funded and under construction. Anticipated outcomes include the provision of quality education of 178 children at one time in a safe and comfortable environment in a location suitable to client families so that children are ready for school.

McNeil Inc dba ChildCare Discovery Center – Fort Dodge (0 new slots)

IICC: \$272,343 CCC: \$27,657 Total Award: \$300,000

Finishing the build out of a 16,300 SF childcare center. The completion will be February 1, 2022. The original cost of this project was 2.2 million. That cost has gone up to 3.2 million because of the increase in cost and the supply chain. This increase costs results in not being able to open all classrooms. The goal for the grant is to fund the cost of the items that are still needed to open all the classrooms and fill all the available childcare slots. There are currently have over 100 children on the waiting list. Opening these 84 slots on opening day will assure these parents will be able to enter the work force. The additional items we are requesting are items the center could not afford because of the immense increase in cost over the last year.

MICAH House – Council Bluffs (70 new slots)

IICC: \$391,800 CCC: \$250,000 Total Award: \$641,800

MICAH House (MH) will begin construction in 2022 to create a quality, affordable childcare center for shelter residents and area families through a 12,000 square-foot on-site facility. The project will serve up to 70 children in a trauma-sensitive and service-rich environment. Most children served would be those staying at or transitioning from Family Shelter. To provide stability to the proforma and programming, it is anticipated that about 1/3 of the slots will be open to the community. Because of area programs' lack of capacity or financial restrictions, children at MH end up on waitlists. Services will give children and families a running start to address the magnitude of problems their child may face. The goal for serving these children is to eliminate barriers to access and immediately start wrap-around services. The center will not likely be permanent for many children but a steppingstone to a more stable and long-term child care arrangement. We will work to transition children to permanent care settings that meet the family's longer-term housing and employment goals.

New Horizons Academy DBA AIRazi Academy – Clive (50 new slots)

IICC: \$390,466 Total Award: \$390,466

New Horizons will be able to make needed health and safety updates and increase capacity with this funding.

Noble Initiative Foundation – Griswold (140 new slots)

IICC: \$236,725 CCC: \$250,000 Total Award: \$486,725

The mission of the Noble Initiative Foundation is to impact families in Griswold and the surrounding communities by providing a quality child care center, support for a strong school system, an increase in local workforce, and affordable housing. The first step in this mission is to build a child development center that will provide year-round childcare, including full-time, part-time, drop-in and before/after school care. The center will be located south of the Griswold School and will be designed to accommodate four childcare rooms for children ranging from 6 weeks old to 4 years old, including a separate area for before and after school care.

Panorama Daycare Center – Panora (80 new slots)

IICC: \$335,000 CCC: \$115,000 Total Award: \$450,000

This project partnership will form to create Panorama Daycare Center LCC. Purchase and renovation of an existing building into a licensed childcare center. When at max capacity, will add 80 additional daycare openings in Panora, IA. A tiered opening approach as construction allows would open by the summer of 2022 and grow to max capacity by the end of the year.

Pekin Community School District – Packwood (36 new slots)

IICC: \$41,808 Total Award: \$41,808

Due to the increasing demand for the limited number of slots available in the current facility, this project proposes to construct a new 50'x40' facility that will meet flexible needs. Currently 1 of 3 child care centers within a 50-mile radius, the goal is to better serve the growing child care needs of the rural communities served, which include families from 4 different counties, and keep them as local as possible. Due to the number of children on the waiting list, the anticipated outcome is to serve 100% of the community's child care needs by having enough spaces available to eliminate the need for a waiting list.

Redeemer Lutheran Church – Ventura (22 new slots)

IICC: \$165,564 Total Award: \$165,564

The funding will provide new, repurposed infant and toddler rooms as well as health and safety upgrades for 22 children.

Romper Room Child Care Center – Dubuque (0 new slots)

IICC: \$380,191 CCC: \$72,400 Total Award: \$452,591

This grant is additional funding to complete the original goal of opening a second child care site. This request is due to an increased inflation cost of materials and labor. The goal is to open in April 2022, with approximately 108 additional enrollments. This will meet the needs of childcare in the Dubuque area.

Singing Cedars School, LLC – Fairfield (30 new slots)

IICC: \$164,700 CCC: \$250,000 Total Award: \$414,700

Singing Cedars School, a licensed childcare provider in southeast Iowa, will use funding to support goals set by their Board of Directors to meet the high demand for early childhood care and education. The Board's spring 2022 strategic plan features the Childcare Stability Expansion Project, a keystone capital investment project that prioritizes the purchase of our current campus, rehabilitation of an existing building, and construction and furnishing of two school buildings to be used as additional class, staff, and administration spaces. When fully realized, CSEP has the potential to add up to 45 new enrollment spaces in an identified childcare desert; as well as create employment opportunities for 4 full time positions and 4 part-time positions over the next several years.

Southeast Iowa Regional Medical Center (Kid Zone) – West Burlington (50 new slots)

IICC: \$551,557 CCC: \$250,000 Total Award: \$801,557

Funding will support expansion of a current location in Des Moines County to serve an additional 50 children. The site will serve the healthcare communities as well as first responders. Construction will begin May of 2022 and will be completed October 2022.

St. Olaf Lutheran Church – Fort Dodge (48 new slots)

IICC: \$687,000 Total Award: \$687,000

St. Olaf Lutheran Church will start up a child care center in the church building. With minor renovations, this center be able to open for 68 children by late spring of 2022. Once operational, they plan to do a few more renovations to allow for another 30 children. The goal is to help with the child care shortage, in an economically challenged neighborhood in Fort Dodge and provide a much-needed service to working adults.

St. Timothy Preschool & Childcare – Hudson (30 new slots)

IICC: \$335,814 Total Award: \$335,814

This project will include needed enhancement and will also provide funding to work with an architect to develop a viable plan to expand the building so that the center would be licensed to serve no less than 125 children who are 6 weeks to 11 years of age.

Sunflower Child Care Center Inc. – Decorah (120 new slots)

IICC: \$741,700 CCC: \$188,300 Total Award: \$930,000

The primary goal of this project is to construct and equip a new child care facility in Decorah, the largest community and employment hub for a 7-county area of Northeast Iowa, to address a severe child care shortage that is impacting families, businesses, workforce, and the communities, by providing childcare for 215 children ages 6 months-12 years. The second goal is to construct and equip our new child care facility in a manner that allows us to implement an innovative, economically, and environmentally sustainable, childcare business model that diversifies our income and minimizes expenses so we can pay livable wages and benefits to our employees and be sustainable into the foreseeable future.

The Arc of East Central Iowa – Cedar Rapids (33 new slots)

CCC: \$45,493 Total Award: \$45,493

The Arc of East Central Iowa (The Arc) requested funding to adapt programming space and restrooms for greater accessibility and allow for The Arc to increase the number of participants served in our special needs' childcare program serving children aged 0-21 with an intellectual, developmental and/or mental health disability. We will repurpose 1,153 square feet of underused space to serve more children each day.

The Arc of SE Iowa – Iowa City (40 new slots)

IICC: \$24,530 CCC: \$250,000 Total Award: \$274,530

The Arc of Southeast Iowa established the Bill Reagan Children's Center to provide inclusive care and early childhood education to children with special needs along with neurotypical peers. The need for services in this area is in high demand and the project expand the center to serve more children. This proposal includes an addition to the building and modifying the space to allow additional slots.

Tiffanie Money DBA Pipsy's Wee Care and Preschool LLC – Indianola (49 new slots)

IICC: \$117,676 Total Award: \$117,676

This project is a new 3500 square foot childcare facility in Indianola, Iowa for children ages 6 weeks to 5 years old to be open 6 a.m. to 6 p.m. Monday through Friday. This will provide childcare as well as a preschool program for children in one facility.

TLC The Learning Center – Charles City (0 new slots)

IICC: \$605,000 CCC: \$145,000 Total Award: \$750,000

This funding will support the need for increased funding due to supply chain issues and increases in labor costs. The initial cost of The GRAND Plan project was \$1.3 million. The cost of the GRAND Plan is now \$1.8 million. This difference in project costs is material availability and cost increase; labor price increase due to demand and a 6% inflation cost increase comparing this year to last year. The project completion is anticipated for the end of May with move in June 2022. This request is to fill the project "GAP" and to make a difference to the statistical 10.1 and above number of children per open child care slots available in Floyd County.

UnityPoint Health – St. Luke's – Sioux City (56 new slots)

IICC: \$743,750 CCC: \$250,000 Total Award: \$993,750

UnityPoint Health - St. Luke's will retrofit and furnish current office space into a childcare facility for employees during the first quarter of 2022, with opening planned for the second quarter of 2022. An outdoor area will also be renovated to create a play area for the children.

Warydi International Daycare – Des Moines (25 new slots)

IICC: \$240,000 Total Award: \$240,000

This program is targeting minority, immigrant, underachieving and underprivileged children in the area. The center will provide before and after schools programming as well as overnight, weekend and holiday care allowing parents to take jobs without worrying about child care. The program is addressing many barriers faced by immigrant families including language barriers and misunderstanding and misinformation regarding culture. Another aspect is partnering with numerous businesses and community-based organizations to provide lessons on basic skills, English, fitness and more.

Wayland Area Childcare Organization – Wayland (49 new spots)

IICC: \$391,500 CCC: \$113,950 Total Award: \$505,450

This project is a new nonprofit childcare facility in an existing building in central Wayland, Iowa which will add 49 new childcare slots in the community. Care will be provided for infants through early childhood. The need for care has been established in the area with previous surveys and a waiting list has already been established for childcare and job opportunities. This will help with the childcare shortage locally as well as bring more jobs to the area and help local businesses retain staff that would be lost due to a loss of childcare options.

Wildcat After and Before Care – Carlisle (71 new spots)

IICC: \$749,952 CCC: \$182,806 Total Award: \$932,758

The project includes both building an addition and retrofitting portions of the existing building to serve 90 additional children (for a total of 180).
