Are you new to IowaGrants.gov? Follow these basic instructions to create an account and begin your grant application.

1. Watch this quick 4 min video: <https://dom.iowa.gov/iowa-grants-login>
2. Go to www.iowagrants.gov
3. Always select the blue button “Click Here to Access Single Sign On Tool” no matter if this is your first time accessing the system or you’re already registered.
4. Do not use the “enter your user ID and password” options.
5. If you do not have an account, select “Sign Up” at the bottom of the screen.
6. Enter your first name, last name and valid email address.
7. Complete the Set Up for security methods, including setting your password.
8. Verify your email and enter the verification code that was sent by the system. This email is sent by Admin@id.iowa.gov. This provides you with a one-time code to complete the verification process.
9. Complete your registration by entering your contact information on the Registration page. Enter your basic information and select your Program Area of Interest. While the system instructions do not make this clear, it is important that you select a program area of interest from the drop-down list. This will expedite registration.

Your registration is now pending final system approval. You will receive a confirmation email once approval is complete.
