Transforming THE WORKFORCE THRU EDUCATION

Closing Iowa’s SKILLS GAP
We need better-educated workers!

We need better-educated high-school grads!

We need better-prepared mid-schoolers!

We need better prenatal care!

We need better jobs!

We need full-day kindergarten!

We need more Pre-K programs!

We need elementary kids that can read and do math!

Addressing inequality in educational attainment is important because people with more education are:

- more likely to be employed
- more likely to have lower poverty rates
- less likely to rely on government assistance programs like Medicaid.

“At its core, Future Ready Iowa recognizes that there is dignity in meaningful work, that Iowans yearn for the opportunity to better themselves, and that those opportunities exist right here in Iowa.”
“Future Ready Iowa is a powerful tool to grow family incomes, meet employer needs and strengthen communities. The time is now to invest in Iowans and their future. Today, I’m calling on the Legislature to take the next step, to appropriate $20 million to fund the plan we put in place last session. This investment will take Iowa to the next level. And more important, it will give more Iowans an opportunity to find a rewarding career.”
